TOWN JOURNAL

The 1970 Greenfield tax rate was \$6.40 per \$100.00 apportioned as follows: school, \$4.56; town, \$1.36; county, .48. The 1970 tax rate was based on the 1969 valuation because re-appraisal of town property by the New Hampshire Tax Commission was incomplete in December.

The second public hearing was held January 27 to consider proposed amendments to the zoning ordinance in regard to industrial areas, one-acre lots and subdivisions. The proposed amendments were approved at the town meeting. (See report of Town Clerk.)

The Greenfield Improvement Association organized a clean-up day on May 9. Six dying maple trees which had previously been cut on the common were sawed into shorter lengths and removed, the work area raked, the driveway swept and more painting done on the cemetery fence. A dinner was served to the workers at noon. Attendance at the clean-up days in the last few years has been disappointing. The Improvement Association contributed a new Post Office directional sign at the intersection of Forest and Slip Roads.

Memorial Day was observed on Sunday, May 24 with a program similar to that of recent years: a parade in the village which consisted of veterans, school children, a color guard from the Veterans of Foreign Wars of Bennington, a firing squad from the Antrim American Legion and the Antrim High School Band. Appropriate rites were conducted at the cemeteries, at World War I memorial at the Library, at World War II memorial at the State Park and at Otter Lake, there, for the Naval veterans.

The 14th annual July 4 Whing Ding was again arranged by the Recreational Committee. The celebration started when the midway on the common opened on the evening of July 3. A dance in the town hall, and the selection of two queens followed. Events on the Fourth included an all star Little League baseball game, a chicken barbecue, a parade of 48 units, a pony pull, an auction, a fashion show, a raffle, a jazz concert, a country supper, another dance in the evening and a huge display of fireworks. The proceeds were used, as in previous years, for support of the Little League and for other recreational programs for the youth of the town. Attendance was estimated at 5,000 during the day and 7,000 for the fireworks.

The Grange sponsored a medical self-help course which was completed by 15 participants.

Three emergency shelter areas were inspected and stocked at Crotched Mountain Rehabilitation Center.

The New Hampshire Water Safety Commission set a speed limit for power boats on Zephyr Lake at 10 miles per hour.

Our sixth grade children were sent to Peterborough Ele-

mentary School to relieve overcrowding in the Greenfield School. The seventh and eighth grades attended Junior High School in Peterborough as in previous years. The ninth through the twelfth grades attended the new Contoocook Valley Consolidated High School in Peterborough. All these schools are members of the Contoocook Valley Consolidated School District. The Contoocook Valley Consolidated School District assumed financial responsibility of the dental clinics. The Greenfield School dental clinic had been sponsored by the Greenfield Woman's Club or by the Parent Teachers Club since 1922.

The Tri-Town Kindergarten was organized for the children of Greenfield, Bennington and Francestown. The kindergarten was conducted in Francestown at a nominal fee and transportation was by car pool. Enrollment was 18 children.

The hot air furnace at the Library was replaced. Smoke damage from the old furnace necessitated redecoration of the interior of the Library. In addition, wall to wall carpet was installed in the children's room. A flood light was placed outside to light the flag on the Library grounds.

A barn belonging to Charles Blanchard was destroyed by fire. An old log cabin belonging to Mrs. Donald George, and a small building belonging to Harvey Paige were burned by the firemen as drills, at the request of the owners.

Nine-tenths of a mile of the New Boston road was improved to a class five road.

A State approved engineering firm made a superficial survey of the sewage and drainage problems in the center of the village and met with the selectmen to plan a hearing in relation to financing a "preliminary" survey of the entire situation.

The Greenfield Industries' Laundromat was closed on November 30 by the New Hampshire Water Supply and Pollution Control Commission.

The Telephone Company installed 9500 feet of new underground cable to replace old aerial cable.

The selectmen's rooms were redecorated.

Mr. and Mrs. Charles Spiller won the grand prize, worth several thousand dollars, in the nation-wide Christmas Club Sweepstakes.

Miss Sherry Carbee was one of the nineteen members of the "Random Concept" choral group of Keene State College to make a tour of the United States military bases in Europe, under the auspices of the United Service Organization (U.S.O.).

The Greenfield Woman's Club contributed \$100.00 for wall to wall carpeting in the children's room at the Library; \$250.00 toward payment of a new hot air furnace at the Library; \$50.00 to the Tri-Town Kindergarten; \$50.00 to the Monadnock Community Visiting Nurse Association; \$20.00 for the installation of a flood light on the flag on the Library

grounds; and camperships to two young people to the Conservation Camp of the New Hampshire Society for the Preservation of Forests.

On June 9 approximately 25 children from Crotched Mountain Rehabilitation Center participated in the annual Fishing Derby sponsored by the Sportsman's Club, Mrs. Oscar Payne and Mr. Stephen Payne. The Payne's pond was restocked on June 13 and the Greenfield children were invited to enjoy the fishing. About 30 town children attended.

Snowmobiling has become a popular winter sport. A snowmobile club was organized under the name of "The Crotched Mountain Ridge Runners." All area snowmobile owners are invited to join.

The following young men joined the armed forces: Kenneth Fulton, Air Force; Wayne Cornwell and Jeffrey Gagnon, Army.

Degrees were conferred on the following: Deanna Atkinson and Gary Mallows, New Hampshire College, Bachelor of Business Science; Pamela Burrage and Joyce Merchant, Keene Teachers College, Bachelor of Education; Ronald Cook, University of Syracuse, Bachelor of Science; Douglas Dunlap, Harvard University, Master of Arts; Wayne Cornwell and Linda Lawrence, University of New Hampshire, Bachelor of Arts; Richard A. Weir, Andover-Newton Theological School, Bachelor of Divinity.

New houses were built by Jarvis Adams, Philip Martus and Theodore Shattuck.

The house belonging to Andrews Macalaster was moved to a new site across the road from the original location on Miner Road, and an addition was made to the house.

Wells were drilled for Jarvis Adams to a depth of 575 feet and for Wilfred Peloquin, 251 feet.

The following real estate transfers included dwellings: Stephen Briggs to Winston and Ruth Gottschalk; Crotched Mountain Foundation to Cyrus Gregg; Harry Dorr to Harry Dorr, Jr.; Harry Dorr to Josephine Dorr; William Crocker to Ralph and Ruth Crocker; Hertha Field to Alphonse and Mary Finamore; Mary Garfield to Harrison and Judith Starkweather; Frederick Jr. and Dorothy Gnade to George and Kate Kendall; Arthur Hayes to James and Jill Ferry; Mary Hartigan to Frederick and Dorothy Gnade; Fannie E. Hopkins Estate to Frank A. and Emma Hopkins; David and Patricia Houston to Norman and Carol Petts; Ralph and Louise Kilcourse to Robert Jr. and Ann Geisel; Genevieve Spaulding to Leola and Helen Lambert; Robert Stanley Estate to Donald and Sandra Ross; Elizabeth Tacy to Elizabeth Tacy and Alice Dill.

Art. 30. Motion moved and seconded to pass over the article. After much discussion and confusion Mr. Paro wanted the monies spent on Forest Road sidewalk. Article read for

Slip Road sidewalk. Voted to pass over the article. Second vote was to raise and appropriate the sum of \$800 to continue Slip Road. Voted No.

Art. 31. Motion moved and seconded to raise and appropriate the sum of \$2,658.31 to pay 1970 payment due on the new highway truck—continue payment in 1971 \$1,094.57—in 1972 to complete payments totaling \$5,629.32. Much discussion. Joe Pacheco said that the Town should not buy this new truck, but to let it go back and buy a larger truck. John T. Robertson said the Town had no business to raise this money to pay for a truck that the Selectmen had purchased without the vote of the people. Truck had been rented with a written agreement to purchase truck after town meeting. Aime Metevier said should not buy the truck. Mrs. A. Chute said that due to the emergency for the need of this truck and knowing the Selectmen had tried to have a special meeting to agree on this rental with the idea of buying, Mrs. Chute explained that when the Selectmen acted in good faith in the interest of the Town, the voters should stand behind them and certainly vote to purchase this truck. A hand vote was taken 53 counted for Yes, 39 counted for No, many didn't vote. Therefore a vote in the affirmative to purchase the truck.

Art. 32. Motion moved and seconded to raise and appropriate the sum of \$5,000 for the deficiency fund. Voted in the affirmative.

Art. 33. More discussion on purchasing another truck new, instead of the one already purchased.

Peter Hopkins made a motion that the Selectmen use purchase orders, with at least two of the Selectmen's names on purchase slip. Motion was seconded. Voted in the affirmative.

Bruce Brenner, made a motion to have town books audited quarterly. Motion seconded, voted in the affirmative.

Gardner Glover made a motion to recess the meeting to continue the count of ballots, motion seconded and voted in affirmative. Recess time 10:10 p.m.

State of the Vote was read by Moderator Frank Hopkins, newly elected officials was called to front of the hall and sworn into office. Record of the count you find under article one. Those present Anna M. Chute, Town Tax Collector and Town Clerk, Dean P. Russell, Highway Agent, George P. Foster, Selectman.

Meeting closed at 11:30 P.M.

TOWN TREASURER'S REPORT

To the residents and taxpayers of Greenfield, New Hampshire, I respectfully submit my first annual report as your Town Treasurer:

In 1970 increasing expenses and less working capital during part of the year obliged us to borrow more money in anticipation of taxes. For 1969, we borrowed \$90,000.00 during the year. In 1970, however, we had to borrow \$15,000.00 on February 5, and an additional \$100,000.00 on March 31, or a total of \$115,000.00 for the balance of the year. We therefore had to pay much more interest for these funds, due to a much higher total amount, and, of course, high interest rates.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture — to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning, such burning is restricted by regulation prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:
Commercial or Industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.
2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State	484 fires	244 acres
District	84	43
Town	1	8

Winthrop H. Hannaford
District Fire Chief

Richard Goodwin
Forest Fire Warden

REPORT ON WHITE PINE BLISTER RUST

Funds were appropriated by your municipality in 1970 to assist the Division of Resources Development in the joint federal, state and town effort to preserve the aesthetic and economic values of New Hampshire's white pine resource from depletion by the white pine blister rust disease.

REPORT OF THE PLANNING BOARD

At the 1970 Town Meeting approval was given to the three proposed amendments — (1) Minimum one-acre lots, (2) Industrial areas with boundaries, and (3) Subdivision Regulations.

The Selectmen increased the Planning Board by appointment of two additional members — Beverly Carbee and Richard Metivier.

In early spring the State Water Supply and Pollution Control Commission descended upon the center of town with orders to clean up the pollution there; and in one case a deadline was set. This immediately started a long series of conferences in Greenfield, Concord and Boston, and visits by three State-approved engineering firms, among which was the firm of Howard Needles, Tammen and Bergendoff. The result was a unanimous conclusion that the center of Greenfield faces a serious problem; and the Board recommended to the Selectmen that the problem be presented to the voters. A public discussion was planned for February. Later, the State commission ordered the closing of the laundromat.

A study of Building Codes was tabled in May for later consideration because of the complex nature of such a code and the pressure of the sewerage problem. It has also been our wish to include in such a Code regulations covering mobile and modular homes.

Last winter a course in Planning, conducted by St. Anselm's College in cooperation with Monadnock Regional Association and Monadnock Community College, was given in Peterborough. It was attended by several members of the Board and was of great help in teaching the basics of good planning.

Richard Corson donated to the Board a supply of updated Zoning Ordinance and Subdivision Regulations, since the State office will no longer furnish them. A larger supply will be needed before they can be issued to all voters.

Population surveys and census returns indicate Greenfield is in the path of an early population expansion, since it is located in southern New Hampshire, between towns already showing evidence of activity and crowding. Planning, therefore, becomes extremely important if the Town is to take the growth in an orderly manner.

GREENFIELD RECREATION COMMITTEE

Another year has drawn to a close for the Recreation Committee. Also this is to be my final report and I have certainly enjoyed being on the committee, working with all the different individuals and organizations. My heartfelt thanks to all who assisted me in the past years with all our many activities.

New uniforms were purchased for our Little League Baseball team as well as baseballs, bats, etc. Also some work was done on the field to make it usable for this past year. Many of the lumps and clods of dirt were removed. However, much more work needs to be done if we are going to continue using this field.

The Recreation Committee provided the funds for day trips for the elementary school children. Some of the first and second graders were treated to their first sleigh ride at Silver Ranch. Then they visited a Sugar Bush and Dublin's Friendly Farm. The third and fourth graders went to Concord and then visited the Bennington Paper Mill. Sturbridge Village, Massachusetts was the stopping off place for the fifth and sixth graders. Besides having fun, we're sure the children saw and learned a lot.

Although no monies were involved, the Recreation Committee sponsored swimming lessons under the auspices of Camp Union. These lessons were available to any youngster going to Greenfield Elementary School. Our thanks to Mr. Stone and his staff for providing these services.

Our Halloween party was a very lively affair this year. Preschool through grade three were entertained at the Town Hall. A costume parade with prizes and games kept these children busy. The fourth grade and the older youngsters were participants of a scavenger hunt. These youngsters really hustled for their prizes. Later they were treated to a hay ride with transportation provided by a tractor and wagon. All the youngsters partook of the usual Halloween goodies after their activities.

Our thanks again to the Elementary School children for providing the musical portion of the Christmas program at the Town Tree. Over 150 gifts plus candy canes were distributed by Santa Claus to all youngsters from the cradle through the sixth grade.

It is a well known fact that the monies for the above activities are received from the Annual July 4th Whing Ding. One new idea, that was well received for the affair this year was a pony pull with entries from this state plus out of staters. Also a fashion show with clothing from local stores and the return of the chicken barbecue.

Since the theme was "American Heritage" it seemed appropriate to have some military units including the "Green Berets". The parade, dances, raffle and all activities on the common plus the midway seemed to be enjoyed by all after a dreary and chilly start. The day was brought to a close with a gigantic fireworks display despite the threatening thunderstorm.

Again I am offering my thanks to everyone who has been with me on this committee. There are a lot of things that are still in the offing and a challenge to anyone who has a good foresight and is interested in developing a good wholesome community to be proud of.

Respectfully submitted,

Babette A. Merchant
